To Whom It May Concern:

I am writing to certify that [patient’s name] has been under my care for the treatment of [condition] since [start date]. Based on my professional evaluation, I believe [patient’s name] would significantly benefit from the companionship and support of an Emotional Support Animal (ESA) as part of their treatment plan.

The presence of a [type of animal] helps alleviate symptoms related to [patient’s name]’s condition, providing them with equal access to and enjoyment of their residence under the Fair Housing Act.

This letter also serves as a formal request for reasonable accommodation under the Fair Housing Act and the Air Carrier Access Act. I recommend that [patient’s name] be permitted to live with their ESA and travel with the animal in the cabin of an aircraft.

Please feel free to contact me if you require additional information regarding [patient’s name]’s condition or the need for an ESA.

Sincerely,

[Sender's name]
