

# Detox Diet Plan

**Duration: 7 Days**

## **Pre-Detox Preparation (3 Days Prior)**

- Gradually reduce intake of sugar, caffeine, processed food, and alcohol to minimize withdrawal symptoms during the detox period.
- Increase hydration by drinking at least eight glasses of water per day.
- Plan your meals and shopping list with the detox plan.
- Ensure you have a variety of fruits, vegetables, and lean proteins.

## **Day 1 to Day 3: Gentle Introduction**

### *Morning Ritual:*

- Start your day with a glass of warm water with lemon to stimulate digestion.
- Engage in at least 15 minutes of light exercise such as walking or yoga.

### *Breakfast Options:*

- A smoothie with spinach, a green apple, cucumber, and chia seeds
- Oatmeal topped with sliced bananas and a drizzle of honey

### *Mid-Morning Snack:*

- A small bowl of mixed berries or a green apple

### *Lunch Options:*

- A large salad with mixed greens, cherry tomatoes, cucumber, and avocado dressed with olive oil and lemon
- Quinoa bowl with steamed vegetables and a dollop of hummus

### *Afternoon Snack:*

- A handful of raw nuts or carrot sticks with hummus

### *Dinner Options:*

- Grilled salmon with a side of steamed broccoli and sweet potato
- Stir-fried tofu with mixed vegetables in a ginger and garlic sauce

### *Evening Ritual:*

- Herbal tea, such as peppermint or chamomile to promote relaxation
- At least 30 minutes before bed, engage in a calming activity such as reading or meditation

## **Day 4 to Day 6: Deep Detox**

*Morning Ritual:*

- Same as days 1-3, but include a teaspoon of apple cider vinegar in warm water for added digestive benefits.

*All Meals:*

- Choose from various fruit and vegetable juices, smoothies, and soups. Ensure you are getting a balance of nutrients and not consuming excessive sugars, even from fruits.

*Snack Options:*

- Stick to liquid options like broth or diluted fruit juices.

*Hydration:*

- Drink at least ten glasses of water throughout the day to stay hydrated.

*Evening Ritual:*

- Prepare turmeric and ginger tea to aid detoxification and reduce inflammation.
- Continue with a calming pre-bedtime routine.

## **Day 7: Transitioning Out**

*Morning Ritual:*

- Begin your day with warm water and lemon, and introduce a light breakfast such as a fruit salad.

*Breakfast:*

- Return to solid foods with a fruit salad topped with a spoonful of unsweetened yogurt.

*Mid-Morning Snack:*

- A smoothie with your choice of fruits and a handful of spinach

*Lunch:*

- A light vegetable stir-fry with brown rice or a vegetable soup with avocado toast

*Afternoon Snack:*

- Sliced cucumber and bell peppers with a small amount of guacamole

*Dinner:*

- Baked chicken or fish with a side of roasted vegetables
- Vegetarian option: A lentil salad with beets, carrots, and mixed greens

*Post-Detox Guidance:*

- Gradually reintroduce other foods into your diet, and continue to avoid processed foods, alcohol, and sugar for a few days following the detox.
- Pay attention to how your body reacts to foods you reintroduce and make note of any foods that cause discomfort, as this may indicate sensitivity.

*Additional Tips:*

- Sleep: Aim for 7-9 hours of quality sleep each night
- Mindfulness: Practice mindfulness or meditation to reduce stress
- Exercise: Include light to moderate activity/exercise daily to support circulation and overall well-being.
