

## **Subject: Diagnosis letter**

Dear \_\_\_\_\_, I hope this letter finds you well. I am writing to formally convey the diagnosis of \_\_\_\_\_, who has been under my care at \_\_\_\_\_.

### **Patient information:**

- Full name:
- Date of birth:
- Medical record number:
- Date of initial consultation:
- Date of latest examination:

After a thorough examination and a review of the patient's medical history, it has been determined that \_\_\_\_\_ has been diagnosed with \_\_\_\_\_.

### **The diagnostic process involved:**

The patient's symptoms and medical history were carefully considered in reaching this diagnosis. In light of the diagnosis, an appropriate treatment plan has been recommended for \_\_\_\_\_.

### **The treatment plan:**

It is essential that the patient adheres to the prescribed treatment plan to achieve the best possible outcome.

While every medical condition is unique, the prognosis for \_\_\_\_\_ is \_\_\_\_\_ . Regular follow-up appointments are crucial to monitor progress and make any necessary adjustments to the treatment plan.

I am confident that with proper medical care and adherence to the recommended treatment plan, \_\_\_\_\_ will experience improvement in their health.

If you require any additional information or have specific questions regarding the diagnosis and treatment plan, please do not hesitate to contact me at \_\_\_\_\_ or \_\_\_\_\_ .

Thank you for entrusting \_\_\_\_\_ with the care of \_\_\_\_\_ . I appreciate your attention to this matter.

Sincerely,
