
Subject: Emotional Support Animal Letter for _____

To Whom It May Concern,

I am writing to certify that _____ is my patient and has been under my care since _____. _____ has been diagnosed with _____, as defined by the Diagnostic and Statistical Manual of Mental Disorders (DSM-5).

It is my professional opinion that _____ would benefit significantly from the presence of an emotional support animal (ESA) as part of _____ treatment plan. An ESA provides therapeutic support and alleviates the symptoms of _____. The companionship and unconditional love offered by an ESA contribute positively to _____ mental well-being.

I am a licensed _____ in the state of _____, and my license number is _____. Please contact me at _____ or _____ for further verification.

I recommend that _____ be allowed reasonable accommodations for an emotional support animal following the Fair Housing Act and Air Carrier Access Act. These accommodations may include exemption from pet-related fees, permission to live with the ESA in no-pet housing, and the ability to travel with the ESA in an aircraft cabin.

I appreciate your understanding and cooperation in this matter. If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,
