

# ESA Letter Oregon

Dear Mr. Smith,

I am writing to certify that \_\_\_\_\_ has been under my care for the treatment of \_\_\_\_\_ since \_\_\_\_\_. Based on my professional assessment, it is my clinical opinion that \_\_\_\_\_ would benefit from the companionship and support of an Emotional Support Animal (ESA) as part of her therapeutic treatment plan.

An ESA has been determined to alleviate symptoms associated with \_\_\_\_\_ and to provide \_\_\_\_\_ with \_\_\_\_\_

Having an ESA would significantly contribute to \_\_\_\_\_ overall well-being and quality of life.

Please consider this letter as a formal request for reasonable accommodation under the Fair Housing Act and the Air Carrier Access Act. I recommend that \_\_\_\_\_ be allowed to live with her ESA and be granted permission to travel with the animal in the cabin of aircraft.

If you require any further information or have any questions regarding condition or the need for an ESA, please do not hesitate to contact me.

Sincerely,
