

# Fasting Diet Plan Template

## Personal Information:

- Name: \_\_\_\_\_
- Start Date: \_\_\_\_\_
- Health Goals: \_\_\_\_\_

## Fasting Schedule:

- Fasting Period: \_\_\_\_\_ to \_\_\_\_\_ (16 hours)
- Eating Window: \_\_\_\_\_ to \_\_\_\_\_ (8 hours)

## Instructions for Use:

1. Fill in the Fasting Schedule: Specify your fasting and eating windows.
2. Daily Log: Record your meals, snacks, and any beverages. Note portion sizes and any observations about your hunger levels or mood.
3. Hydration: Track your daily water intake.
4. Exercise: Note down any physical activity, including type and duration.
5. Weekly Focus and Adjustments: At the end of each week, reflect on your experience and plan adjustments for the following week.
6. Consult a Professional: It's recommended to consult with a healthcare provider or a dietitian before starting any new diet plan, especially for personalized advice and to ensure it aligns with your health needs.

## Daily Log:

Date: \_\_\_\_\_

Time	Meal Type	Food/Beverage Description	Portion Size	Notes (Hunger level, mood, etc.)
