• List any cognitive distortions in your automatic thoughts during the first situation.

#### **Situation 2 Cognitive Distortions:**

• List any cognitive distortions in your automatic thoughts during the second situation.

# **DBT Skill Application:**

Think about how you can apply DBT skills to better cope with similar situations in the future. Choose one or more of the following skills and describe how you can use them:

- Mindfulness: How can you stay present and non-judgmental in similar situations?
- **Emotion Regulation:** How can you manage and reduce intense emotions when you feel disrespected?
- **Interpersonal Effectiveness:** How can you assertively communicate your feelings and needs in a respectful manner?
- **Distress Tolerance**: How can you tolerate distress when you feel disrespected without reacting impulsively?

# **DBT Skills Application:**

### **Action Plan:**

Based on your analysis and DBT skill application, create an action plan for how you can respond differently in similar situations in the future.

#### **Action Plan:**

• List specific steps and strategies you will use to address feelings of disrespect in your relationships going forward.

#### **Review and Self-Reflection:**

Periodically review your action plan and reflect on your progress. Are there any adjustments you need to make? What have you learned about yourself and your relationships through this process?

#### **Review and Self-Reflection:**

• Write down your thoughts on reviewing and adjusting your action plan and your personal growth.
