## Appointment of my attorney-in-fact as my healthcare representative; decisions regarding withdrawing or withholding healthcare

In addition to the powers granted above, I appoint my attorney-in-fact as my Healthcare Representative and authorize my attorney-in-fact and Healthcare Representative to make decisions in my best interest concerning the consent, withdrawal, or withholding of healthcare. I declare competence and full understanding of the delegation of authority for this significant responsibility. I understand healthcare includes any medical care, treatment, service, or procedure to maintain, diagnose, treat, or provide for my physical or mental well-being.

Healthcare also includes the provision of nutrition and hydration through intravenous, gastrostomy, or nasogastric tubes. If, at any time, based on my previously expressed preferences and the diagnosis and prognosis, my Healthcare Representative is satisfied that certain healthcare is not or would not be beneficial or that such healthcare is or would be excessively burdensome, then my Healthcare Representative may express my will that such healthcare be withheld or withdrawn and may consent on my behalf that any or all healthcare be discontinued or not instituted, even if death may result.

My Healthcare Representative must try to discuss this decision with me. However, if I am unable to communicate, my Healthcare Representative may make such a decision for me after consulting with my physician or physicians and other relevant health caregivers. To the extent appropriate, my Healthcare Representative may also discuss this decision with my family and others when they are available.

The authority granted herein shall become effective when my attending physician determines that I am incapable of consent and is not effective while I am capable of consent.

I hereby designate my Healthcare Representative as my personal representative concerning all medical information, including protected health information as defined and governed by the Health Insurance Portability and Accountability Act of 1996, as amended, and regulations thereunder. This provision of this Appointment of Healthcare Representative is effective upon execution and is not affected by subsequent incapacity.

If my Healthcare Representative resigns or is unwilling to comply with this written appointment, such representative may not exercise further power under this appointment and shall inform me or my legal representative, if unknown, and my healthcare provider, if known.

I reserve the right to revoke this Appointment at any time by oral or written notice to my Healthcare Representative and to revoke the authority granted to my Healthcare Provider by oral or written notice to my healthcare provider.
