

# Life Balance Wheel Exercise

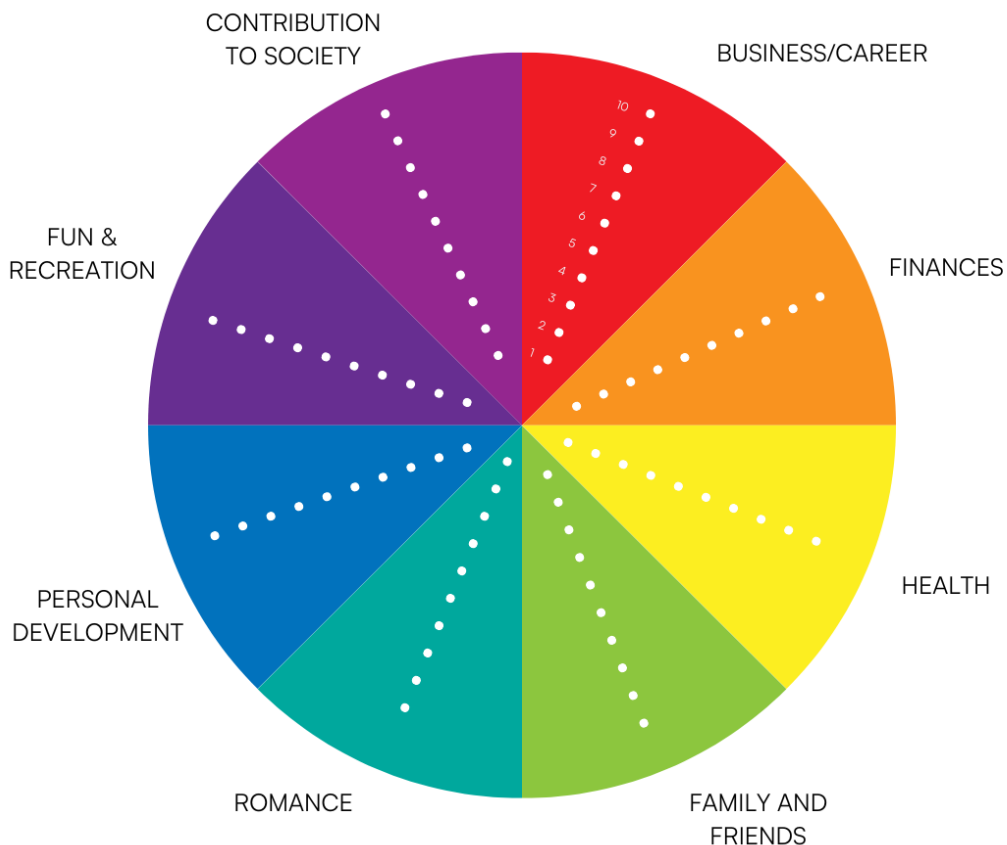

Name:

Date:

## Instructions

- 1. Divide the Wheel:** Draw a large circle on a piece of paper and divide it into segments. Label each segment with an area of your life you want to focus on (e.g., Career, Health, Relationships, Finances, etc.).
- 2. Rate Each Area:** Rate your current level of satisfaction or the amount of attention each area is currently receiving from 1 to 10, with 1 being the least satisfied or least attention and 10 being the most.
- 3. Plot Your Ratings:** Draw a line across each segment at the point that corresponds to your rating for that area. This gives you a new "edge" to the wheel.
- 4. Analyze the Wheel:** Take a good look at your completed wheel. Does it look balanced or are there areas that are lagging behind?

Here's an example:

## Areas to Consider:

- **Career:** Are you satisfied with your job? Is there room for growth?
  - **Health:** How would you rate your overall health and wellness?
  - **Family and Friends:** Are your relationships fulfilling?
  - **Romantic:** If applicable, how satisfied are you in your love life?
  - **Financial:** Are you financially secure? Do you have debts?
  - **Personal Growth:** Are you learning new things? Do you feel you're growing as a person?
  - **Fun and Leisure:** Do you have time for hobbies, relaxation, and the things you enjoy?
  - **Physical Environment:** Are you satisfied with your living conditions?
- 

## Questions for Reflection:

1. **Which area(s) require immediate attention?**
  2. **What steps can you take in the short term to improve these areas?**
  3. **What are your long-term goals for each segment?**
  4. **How can you balance multiple areas without feeling overwhelmed?**
  5. **What resources or support do you need to achieve a balanced life?**
-
