Instructions:

- Fill in Personal Information: Start by filling out your name, date of birth, and the date of your last examination.
- Record Vital Signs: These will be measured by your healthcare provider at the appointment.
- Update Medical History: Include any new diagnoses, medication changes, or other relevant health updates.
- Assess Lifestyle: Be honest about your smoking, drinking, exercise, and eating habits, as they play a crucial role in your overall health.
- Track Health Screenings: Record the results of blood tests and other screenings. If anything is abnormal, discuss follow-up steps with your provider.
- Review Immunizations: Make sure you're up-to-date with vaccinations.
- Physical Examination Findings: Your provider will fill this out. It's a record of the physical exam findings during your visit.
- Counseling: Take note of any advice or counseling points from your healthcare provider to work on until your next visit.
- Follow-Up: Mark any recommended follow-up tests, appointments, or specialist visits.
