Nursing Home Admission Checklist

This checklist can help you look at and compare the aged nursing facilities that you visit. Look at the checklist before you go on your visit or tour. This will give you an idea about the kinds of questions to ask and what you should look for as you tour the facility and see the staff and the residents.

Some of these questions may be more personally important to you and your family, and some are more important for finding out about the quality of care the residents get.

are more important for imaing out about	ine quanty or care	; ine residents get.
