# **Pinch Grip Test**

Client's Name:			
Physician's Name:			
Date:	Age:	Sex:	

# LATERAL PINCH or KEY PINCH

## Instructions:

- Place the patient in a seated or upright position.
- Have the elbow of the arm they're testing flexed at 90 degrees to the side.
- Have their palm face inward.
- Stay in front of the patient, to the side, and position the gauge between the flexed PIP joint of the index finger and thumb.
- To test, have them pinch as hard as possible, hold it, and then release it.
- Have them do this test thrice per side, pausing for 15 seconds between tests.
- To obtain a score, gather the average of the tests per side.

## Results

	Test 1	Test 2	Test 3	Average
Dominant (Side: )				
Non-Dominant (Side:)				

#### Notes:

# THREE-JAW CHUCK PINCH OR THREE-POINT PINCH

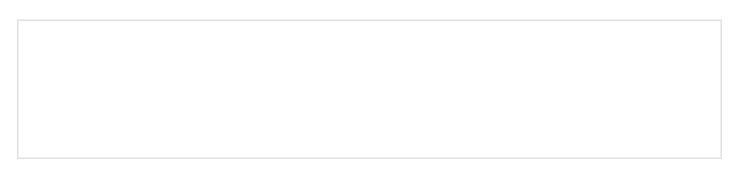

## Instructions:

- Place the patient in a seated or upright position.
- Have the elbow of the arm they're testing flexed at 90 degrees to the side.
- Have their palm face down.
- Stay in front of the patient, to the side, and position the gauge between the thumb, index finger, and middle fingers.
- To test, have them pinch as hard as possible, hold it, and then release it.
- Have them do this test thrice per side, pausing for 15 seconds between tests.
- To obtain a score, gather the average of the tests per side.

## Results

	Test 1	Test 2	Test 3	Average
Dominant (Side: )				
Non-Dominant (Side:)				

## Notes:

# TIP-TO-TIP PINCH OR TWO-POINT PINCH

## Instructions:

- Place the patient in a seated or upright position.
- Have the elbow of the arm they're testing flexed at 90 degrees to the side.
- Have their palm face down and the test finger on the button.
- Stay in front of the patient, to the side, and position the gauge between the thumb and test finger.

- To test, have them pinch as hard as possible, hold it, and then release it.
- Have them do this test thrice per side, pausing for 15 seconds between tests.
- To obtain a score, gather the average of the tests per side.

# Results

	Test 1	Test 2	Test 3	Average
Dominant (Side: )				
Non-Dominant (Side:)				

#### Notes:
