Scoring:

- The ones that are positive are items 1, 3, 4, 7, and 10. For these, "Strongly Agree" is equal to 4 points, "Agree" is equal to 3, "Disagree" is equal to 2, and "Strongly Disagree" is equal to 1.
- The ones that are negative are items 2, 5, 6, 8, and 9. For these, the scoring is reversed. "Strongly Disagree" is equal to 4 while "Strongly Agree" is equal to 1.

There are no score ranges or designations to refer to though, but just as a principle, higher scores mean that your patient has a higher level of self-esteem.
