# **Shame Worksheets**

Shame is feeling bad about yourself as a person. Examples of statements that may indicate shame include: "I am worthless", "I am unlovable", and "I am broken".

Shame is a defense mechanism useful in the past to keep oneself safe, but it can cause problems in relationships and life when its presence is no longer necessary.

By 'checking the facts', you can determine if emotions like guilt or shame are justified, which will help determine what's needed to resolve it.
