

Wellness Assessment

This self-assessment tool can help you identify the areas of Wellness (emotional, environmental, intellectual, occupational, physical, social, and spiritual) where you thrive and where you may require more attention.

Taking this assessment will also assist you in reflecting on aspects of health that you may not have previously considered.

Section I. Basic Information

Fill out the table and provide all the information requested.

Basic Information
Full Name:

SCORE INTERPRETATION

Scores of 11- 15: Your answers demonstrate that you are already taking positive steps in this dimension of Wellness. You are improving your well-being but might also focus on another area with low scores.

Scores of 6 to 10: Your behaviors in this area are good, but there is room for improvement.

Scores of 5 and below: Your answers indicate potential health and well-being risks. Please look at those areas where you scored lower and review available resources to help you develop and set achievable goals.
