## Work Responsibilities:

List your main responsibilities at work:

--

Are there any additional tasks or projects you are currently involved in? If yes, list them:

**Personal Commitments:**

List your personal commitments or activities outside of work (e.g., family time, hobbies, exercise, social activities):

**Time Allocation:**

On a scale of 1 to 10 (1 being very little, 10 being a lot), rate how much time and energy you currently allocate to your work:

**Work:**

On the same scale, rate how much time and energy you allocate to your personal life:

**Personal:**

Are you satisfied with the balance between your work and personal life? Why or why not?

## Reflection Questions:

1. How do you feel at the end of a typical workday? Energized, drained, or balanced?

2. Do you find it challenging to disconnect from work during your personal time? If yes, what barriers do you encounter?

3. Reflect on a recent instance where you felt your work-life balance was out of sync. What factors contributed to this imbalance?
