

Young Mania Rating Scale (YMRS)

Date:

Patient's Name:

Rater's Name:

Guide:

- If several keys are present under a particular grade of severity, the presence of only one is required to qualify for that rating.
- One is encouraged to give whole or half points, especially if the patient doesn't follow the progression in the keys.
- Exception: If necessary, one can ignore the keys provided in the guides to indicate severity.

1. Elevated Mood

- 0: Absent
- 1: Mildly or possibly increased questioning
- 2: Definite subjective elevation; optimistic, self-confident; cheerful, appropriate to the content
- 3: Elevated; inappropriate to content; humorous
- 4: Euphoric; inappropriate laughter; singing
- Other: _____

2. Increased Motor Activity-Energy

- 0: Absent
- 1: Subjectively increased
- 2: Animated; gestures increased
- 3: Excessive energy; hyperactive at times; restless (can be calmed)
- 4: Motor excitement; continuous hyperactivity (cannot be calmed)
- Other: _____

3. Sexual Interest

- 0: Normal; not increased
- 1: Mildly or possibly increased

- 2: Definite subjective increase in questioning
- 3: Spontaneous sexual content; elaborates on sexual matters; hypersexual by self-report
- 4: Overt sexual acts (toward patients, staff, or interviewer)
- Other: _____

4. Sleep

- 0: Reports no decrease in sleep
- 1: Sleeping less than the normal amount by up to one hour
- 2: Sleeping less than normal by more than one hour
- 3: Reports decreased need for sleep
- 4: Denies need for sleep
- Other: _____

5. Irritability

- 0: Absent
- 2: Subjectively increased
- 4: Irritable at times during interview; recent episodes of anger or annoyance onward
- 6: Frequently irritable during the interview; short, curt throughout
- 8: Hostile, uncooperative; interview impossible
- Other: _____

6. Speech (Rate and Amount)

- 0: No increase
- 2: Feels talkative
- 4: Increased rate or amount at times, verbose at times
- 6: Push; consistently increased rate and amount; difficult to interrupt
- 8: Pressured; uninterruptible, continuous speech
- Other: _____

7. Language-Thought Disorder
